

The Temple Emanuel Endowment

The Temple Emanuel Endowment is a permanent, self-sustaining asset that helps provide for all aspects of Temple Emanuel's mission. Individual endowed funds may be established by congregants and friends to support the purpose of their choosing. Gifts to the endowment can create a named fund, be added to an existing fund, or be unrestricted. A gift to Temple Emanuel's endowment is an investment in its future.

With a gift, you create a permanent legacy of support for the Temple and for generations of Temple congregants. The current Temple Emanuel Endowment funds are listed below by their purpose. New named funds can be created with minimum initial gifts of \$25,000 or more.
